Blended Intensive Programme by PSW
Call for Students

Effective learning, motivation, time management

Dear Students,

Powiślański University, Poland is organising its 1st edition of BIP (Blended Intensive Programme) for which you are cordially invited!

Online component: 17-04-2023
Face-to-face at Powiślański University, Poland (Gdańsk): 24-04-2023 – 28-04-2023 (5 days)
Language of instruction: English
Credits: 3 ECTS
No registration fees (maximum 30 students)

The aim of this BIP is to transfer knowledge to students in areas of effective learning, motivation, time management, coaching. It will be a great chance for students to work together in an international team solve cases as a group as well as create projects from the start.

Topic areas:

- ✔ Are you interested in learning more effectively?
- ✔ Would you like to know what the modern concept of memorizing and learning is?
- ✔ What does it mean effective according to your lifestyle?
- ✔ Would you like to try to make your learning skills better?
- ✔ Would you like to work in intercultural groups and try to solve real problems/challenges of learning and time management?

If yes, apply for our BIP!

***Please note that the programme may be subjected to changes**

Accomodation: There are many students friendly accommodations in the heart of Gdańsk, where the BIP will be organised, therefore if there will be problem with accommodation, please contact our IO, details below.
Catering: The university will provide the breakfast as well as lunch to the participants.
Cultural/Social activities: The university will provide cultural and social plan without any cost for the participants after the lectures.

Each participant will also receive a Welcoming Gift.

REGISTRATION LINK: https://powislanska.edu.pl/umiedzynarodowienie/bip/blended-intensive-programme-2023-s/

Registration deadline is 20th of March, 2023

All registered students after 20 registrations will be put on the reservation list.

All participants who successfully complete the BIP will be issued a certificate with 3 ECTS points.
