Enriching lives, opening minds.

HEI presentation in few sentences /pictures

- HEI in general

UniBa is an elite higher education institution in Tirana, Albania, operating according to Bologna Process. It offers 43 study programs of first and second cycle, organized in four faculties.

Faculty of Law, Economics and Governing, Faculty of Social Sciences, Tourism and Sport; Faculty of Applied Sciences and Creative Industries; Faculty of Medical Sciences

What is more, UniBa provides Vocational Education and Training Centers. In addition, it is made of 7 Centers and Institutes, which help the academics of UniBa in scientific research through national and international projects.

UniBa is also famous for applied scientific research and innovation. The tools and initiatives to develop applied research in UniBa are, CITY LABS, such as Smart City Lab, Energy Efficiency Lab, Lab of Health and Welfare,

Lab of the Digital Future etc, BARLETI CREATIVE GARAGE, BARLETI HUB etc

The University per se has extensive experience of involvement in European funded projects:

- 1) Erasmus+ Jean Monnet Activities;
- 2) the Tempus Program “Developing Human Rights Education at the Heart of Higher Education in the Western Balkans”;
- 3) the Europe for Citizens Programme, ‘European Cosmopolitanism and Sites of Memory through Generations’.
- 4) Erasmus+ CBHE “Quality Assurance in Albanian Universities”, lead by University of Salzburg
- 5) IPA CBC Italy-Montenegro: IPA CBC Italy-Albania-Montenegro and Creative Europe. Moreover, individual members of staff have been involved in bids under FP6 and FP7.
