

INCLUSION AND DIVERSITY ERASMUS+ FINANCIAL SUPPORT

The Erasmus+ Programme seeks to promote equal opportunities and access, inclusion, diversity and fairness.

ERASMUS+ FEWER OPPORTUNITIES LUMP SUM TOP UP FINANCIAL SUPPORT FOR INCOMING STUDENTS

Participant with fewer opportunities - means person who, for economic, social, cultural, geographical or health reasons, a migrant background, or for reasons such as disability and educational difficulties or for any other reasons, including those that can give rise to discrimination under article 21 of the Charter of Fundamental rights of the European Union, face obstacles that prevent them from having effective access to opportunities under the programme.

Accompanying person - A person who accompanies participants (learners, staff, young people or youth workers) in a mobility activity in order to ensure their safety, provide support and assistance, as well as assist with the participant's effective learning during the mobility experience. In individual activities, an accompanying person may accompany participants with fewer opportunities or minors and youngsters with little experience outside their own country. In case of group activities in the field of education and training, qualified education staff must accompany the group to facilitate the learning process.

Students and recent graduates with fewer opportunities may receive a top-up amount to the individual support of their EU Erasmus+ grant with an amount of 250 EUR per month. The criteria to be applied are defined at national level by the National Agencies in agreement with National Authorities.

INCLUSION SUPPORT - STUDENTS WITH DISABILITIES – 100% real costs

Disabilities: This includes physical, mental, intellectual or sensory impairments which, in interaction with various barriers, may hinder someone's full and effective participation in society on the same footing as others.

Health problems: Barriers may result from health issues including severe illnesses, chronic diseases, or any other physical or mental health-related situation that prevents from participating in the programme.

Additional costs directly related to participants with fewer opportunities, which cannot be covered through the top-up amount for individual support for participants with fewer opportunities. In particular these costs aim at covering the extra financial support required for participants with physical, mental or health related conditions to allow their participation in the mobility as well as in preparatory visits and for accompanying persons (including costs related to travel and subsistence, if justified and as long as it is not covered through budget categories "travel support" and "individual support" for these participants).

Financing mechanism: real costs.

Proof documentation: Invoices for actual expenses; Proof of payment of invoices; Declaration of participation, Documentation justifying the need for inclusion support.

Rule of allocation: the request must be justified by the applicant and approved by the National Agency.
